AUG 26 1983

From July 1, 1983, to July 15, 1983, San Gabriel Valley Council Troop 633 toured to, and at the Boy Scout XV World Jamboree in Alberta, Canada. One of the stops on the Jamboree tour was in Great Falls, Montana to spend the night at the Sheraton Hotel. Richard Ardrey, the First Assistant Scoutmaster, and I, [REDACTED] the Third Assistant Scoutmaster, returned from the movie theater that evening and went to our room. When getting into my bed, I mentioned that I was tired and Mr. Ardrey asked if I would like a back rub. I said yes, and he gave me a back rub and returned to his bed for the night.

The next morning, I was awakened by Mr. Ardrey on my bed, rubbing my back. ~~He rubbed my legs and then handled my genitalia.~~ At that point, I moved to the edge of my bed and he moved to his. He put a hand on each of my legs and asked me what I was thinking. I said that I had never had this much contact with a man before, and I got up, took a shower, got dressed, and left the room.

At the Jamboree, Mr. Ardrey offered to rub my back numerous times, however, I always declined. One night, while I was in my sleeping bag, he started rubbing my chest. He ran his hand down my chest, toward my waist, and I stopped him with my hand. He asked me if he should keep away from there and I told him yes.

No further incidents occurred.

Subject: Richard H. Ardrey

Dear Paul:

We have forwarded to you all the information we have on Richard H. Ardrey.

A conference was held with Mr. Ardrey in attendance. It was also attended by myself and our district executive, Dick Meier. At that time, we presented him with the information and notified him that he could no longer register in Scouting.

His unit has been contacted and a new Scoutmaster for Troop 171, Mt. Rubidoux District has been registered.

I hope this will answer your questions.

Sincerely,

John P. Dudley
Council Scout Executive

PERSONAL AND CONFIDENTIAL

SUBJECT: Richard H. Ardrey

Dear John:

Thank you for sending us the information on Richard H. Ardrey. We appreciate the careful way in which you completed the confidential sheet. This will certainly enable us to identify him should he try to register at a later date.

You included with this Confidential Record sheet a letter from [REDACTED] who indicated some problems with Mr. Ardrey. We would ask if there have been any other individuals who have had problems or if there have been any other situations which have come to your attention.

Was a letter sent to Mr. Ardrey informing him that he could no longer register in Scouting? Did you contact the unit and have they requested his resignation as Scoutmaster of Troop 171? Any other information which you can give us which would strengthen our files would be very helpful.

Please call me if you have any other questions.

Sincerely,
