Dear Billy:

My file on Charles F. Albright does not seem to be complete. We understand this individual was arrested for sexual abuse of two small girls.

We would like to have the outcome of any legal action which took place, so that we may place it in our files and have the case we need for refusal of registration should attempts be made anywhere in the country.

Thanks for your help in closing this file.

Dear Billy:

Thank you for the information which you recently sent on Charles F. Albright. The information which is included on the confidential Record Sheet certainly makes registration impossible. We would, however, like more information if you can supply it related to his past history of arrests and also the present charges which have been placed.

As soon as a trial takes place, we would like to know the outcome since this information will strengthen our refusal of registration at a later time.

We are enclosing a credit notice for the Boys' Life subscriptions, which will not be sent. This can be returned to the pack treasury.

If we can be of any help from this office please do not hesitate to contact us.

Sincerely,

Paul Ernst, Director
