Roy,

Warren and I talked with Lu Zalasney and he said nothing had developed this past year that would warrant Overby's registration not being accepted.

He is working, holding a job for the first time in several years, and is receiving help from the VA hospital. (His problem is "Vietnam syndrome.")

He recently was selected to be the SM of Troop 44. Warren checked with the pastor, Scouting coordinator and troop committee of 44 and reports that they were aware of Overby's past when they asked him to be their SM.

Dear Roy:

We are following up on the registration of a Committee Member in Troop 758. This man is located in Christiansburg, VA. The local unit number is 706.

We registered Mr. Overby on probation and since a year has lapsed since the registration was originally processed, we would like you to check on the situation and determine if there have been any problems related to Mr. Overby's registration. There were apparently some problems with his character and leadership performance in a previous year when he was placed on the confidential file.

Please let us know if you find out any information on this man. We would also like to know if he is still active in the program.

Sincerely,

Dear John:

We have had the information which you sent us concerning the above listed gentleman reviewed by our attorney, and it is felt that more information is necessary in order to keep this man's name on our Confidential File. We certainly feel you are justified in refusing registration in your own council, because of the problems which could be encountered from a relationship standpoint, if the registration were accepted.

It is the feeling that we should have more information that would substantiate our refusing registration in any council to which this man would move. Can you secure for us statements from other individuals, and also some definite statements as to acts which really took place? No where does it actually indicate what happened in the statements which were enclosed. Just what did these homosexual acts consist of?

We shall look forward to securing more information, in order to enable us to keep the case on file.

As concerned parents we feel compelled to write you this letter. We sincerely hope that Mr. Overby will be put out of Scouts as he poses a threat to all of the boys he works with.

Our son, [REDACTED] is now 13½ years old. At the time these terrible things started taking place he was only 12. The force and brutality Mr. Overby used has caused considerable emotional and physical scars and trauma to [REDACTED]. With help, we feel [REDACTED] will recover him from the emotional trauma.

We do hope this matter can be settled quickly so no other boy will have to suffer the pain and anguish our son has.

Sincerely,
