Dear Brantly:

We are in receipt of a letter dated May 13, from Mr. William A. Eller, Director of Field Service, advising us that one James Dhalluin should be placed on our Confidential File. However, we really need some more information.

Please investigate this situation and tell us for what reason he should be placed on the file? We need to know some facts about this matter and we also need to have substantive information that will support this type of action. We would very much appreciate knowing the details regarding this situation and what actions by Dhalluin led to his discharge.

Enclosed is a confidential record sheet which we will also appreciate your filling out and returning to us, together with the above requested information. This will then enable us to identify Mr. Dhalluin if we should decide to place him on our file.
