Re: John Alfred MacLardie

Dear Mr. Frans:

Thank you for your letter of June 23, 1969 and the enclosed information and correspondence concerning John A. MacLardie, Institutional Representative of Troop 233. We have placed this information in our file and have taken steps to have his name deleted from the Troop roster.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible. This additional information will enable us to identify this individual should he ever again attempt to register in the Scouting program.

I am sure you realize that this leaves Troop 233 without any registered Institutional Representative. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new I. R. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current I. R.

Sincerely,

Howard Boyd, Director  
Registration and Fulfillment Service

DETAILS:

At approx. 11:50 P.M. 3/29/68 these Deputies drove into the Grafton-Kennedy School parking lot and observed the above M<sup>ac</sup>Lardie and Koehl sitting in a 1967 T-Bird Lic. #819JM. Upon a closer check the adult was observed putting his pants back on.

At this time the juvenile was brought back to the cruiser where he stated that he had meet the adult at the Rest room of Frisch's. The adult then followed the juvenile to the school. The juvenile stated through questioning that they had both touched each others sexual parts and that the adult had just taken his pants down shortly before our arrival. The juvenile stated that he has been seeing Dr. George Davidson M. S. W. A. C. S. W. for homosexual tendencies. The juvenile was then asked to go home and that we would shortly be there to contact his parents.

The adult was then placed in the cruiser and in front of Dep. R. E. Larson was advised of his rights. He then stated that he was driving down 1st street in Dayton when the juvenile pulled along side of him stated that he was troubled and wanted to talk. He was to then drive to the school where they would talk. He stated that he definately did not have his pants down and did not touch the juvenile. This is definately a lie as both of use had observed him putting pants on and the juvenile had his belt unbuckled and his fly open. The adult was then brought to the County jail and booked on investigation of Morals and Contributing.

Checking the glove compartment we found several napkins and a bottle

PERSONAL AND CONFIDENTIAL

Dear Jack:

I am enclosing several letters and reports on a John Alfred MacLardie, now residing at 120 Devonhurst Drive, Apt. F, in Kettering, Ohio. Mr. MacLardie is currently registered as the institutional representative of Troop 233, sponsored by the Lutheran Church of Our Savior, in Kettering.

I gather because of some personal friendships with staff members, and key volunteers in the Council, this case has never been brought to the attention of the Personnel & Training Division. However, I feel that the confidential file should contain the enclosed reports and letters, and that Mr. MacLardie should be placed on the confidential list. Although the enclosed letter to Del Hanks indicates that he has resigned from all his Scouting responsibilities, he has from time to time appeared at Council events, particularly Order of the Arrow lodge meetings. He is still currently registered, although not active, in Troop 233.

We will follow your advice as to the action we should take from this point on.

Sincerely yours,

Richard B. Frans

Dear Mr. Wilson:

Mr. John MacLardie was seen for psychiatric evaluation through our psychiatric team approach. We find him to have a personality disturbance associated with traumatic experiences in early childhood, particularly the death of his father in an auto accident, and the accidental death of a younger brother. He has experienced some confusion over masculine identification, especially earlier to adolescence, but has, for the most part, made an adequate adjustment. The incident which led to his recent arrest may best be understood as an impulsive, regressive act, linked with certain self-defeating aspects of his personality.

It is felt that Mr. MacLardie can benefit from psychotherapy, and he has begun treatment with one of our staff.

Sincerely yours,

Dear Del,

For personal reasons, I ask that I be relieved of all my responsibilities in Scouting in the Miami Valley Council effective immediately. I can't tell you how much I have enjoyed our association as well as your confidence in me for these many years. It is, with regret, that I find this action necessary.

As ever,
