Mr. Dale Cronic

Detroit Area Council

Dear Sir,

The purpose of this letter is to document the circumstances under which you received the resignation of Mr. J. W. Weeks in the latter part of October, 1969.

On October 15, 1969, it was brought to my attention, by my son, [REDACTED], that certain advances had been made toward him on the night of October 10, 1969 at the District Camparee by one J. W. Weeks, at that time Scoutmaster of Troop 1111. I informed [REDACTED], my son, at that time of the severity of this charge and the effect such an accusation would have on the man's life, family, church, etc. and he still persisted in the charge. He also told me of some other alleged advances on some other boys in the troop. I checked this out with the father of one boy whom I knew and through questioning, found the allegation to be true.

Mr. [REDACTED], the father I consulted with, and Mr. [REDACTED], an Assistant Scoutmaster in our troop, whom I subsequently informed, then made a call on a local psychiatrist who told us something of the behavior pattern of such a person. After consulting with this doctor, we then informed the Chairman of our troop committee, [REDACTED], and the other two Assistant Scoutmasters of the charges. A meeting was then held wherein we informed these people of what had transpired. At this meeting, it was concluded that (1) we would inform no other man within the committee, (2) we would and did inform scout headquarters through Mr. [REDACTED] and (3) that Mr. [REDACTED] and myself would confront Mr. Weeks with the charge and evidence of his homosexual behavior and request his resignation in writing.

The confrontation with Mr. Weeks was then made on October 20, 1969, resulting in his full admission to the charges and we received his resignation. At the same time Mr. Weeks not only stated that the charges were true but also added that he had been aware of his homosexual tendencies for 40 years and had sought and received medical help in the past. Mr. William Fischer then delivered Mr. Weeks' resignation to you during the following week.

I hope this letter will close your file but if for any reason you have need of further clarification, please don't hesitate to contact me.

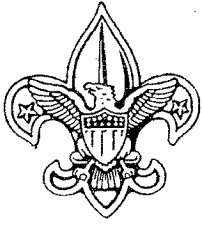

Sincerely, [REDACTED]

Courtesy: [REDACTED]

Re: J. W. Weeks

ATTENTION: Mr. Dale E. Chronic, Assistant Scout Executive

Dear Mr. Brinton:

Thank you for your letter of October 28, 1969 and the enclosed confidential record sheet concerning Mr. J. W. Weeks, Scoutmaster of Troop 1111. We have placed this information in our file and have taken steps to have his name deleted from the Troop roster.

We would appreciate your sending us more detailed information, such as a letter from those directly involved or any other substantive material pertaining to this case. This additional information would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

I am sure you realize that this leaves Troop 1111 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Earl Krall, Director
