Re: John Lockhart and  
Homer Crawlin

Dear Lloyd:

I have just received your letter concerning the two men above and in both cases you did not indicate the reason for your recommendation. We would greatly appreciate it if you could give us the details on both of them, and particularly in the case of Mr. Lockhart as you indicated that you had secured proof.

I am enclosing confidential record sheets for you to complete on each of them. Please give us as much information as possible so that we will have no difficulty in identifying either one, if they should try to register in Scouting again.

We have deleted Mr. Lockhart's name from the unit records of Troop 123. The Silver Beaver Award and certificate should be returned to the National Council. When the Award is received, you will receive credit for it. We have also taken the step to remove his name from the Beaver list.

Sincerely yours,

Dear John:

After thorough investigation, it has been ascertained that Scoutmaster John Lockhart's name should be placed in the confidential files. Proof has been secured that makes this mandatory. He is now registered as Scoutmaster of Troop 123, Council 664, Tallahassee, Florida. Revoke his commission as of February 1, 1962. I picked up his registration card and veteran card today.

His application for Silver Beaver was approved, but we held it up on grounds of suspicion. Please remove his name from the Beaver list. Should I return his certificate or burn it? Should I return the Beaver award to the National Council?
