Gentlemen:

Attached is a confidential report sheet on Stanley Thomas Evans, Sr. and I suggest very strongly that we put him on the confidential list. I have a taped recording in my possession locked in the council's confidential files that Mr. Evans has given three different girls in the Explorer Post beer at different times and has played with their bodies and actually had sex with the three different girls. Two of them were on a camping trip on different weekends. The third one was after a Post meeting while taking her home. I have confronted Mr. Evans and he did not deny this and said he would do anything I wanted him to do. I asked him to drop out of Scouting and he said he would that very minute and would never try to seek another position in Scouting.

One point to remember is this is Stanley Thomas Evans, Sr. He has a son that is Junior that works with a Scout troop at this time.

Any further information needed I will be delighted to supply.

Sincerely yours,

Ralph K. Manus, Jr.
Scout Executive
